

Medieval Fun Tour

EUR 18,00 Per Person

San Gimignano

A fun and unusual approach to the towered city, for kids.... of all ages ...! A dip in the splendor of medieval San Gimignano as it looked 700 years ago. Endless details of an artistic ceramic masterpiece, reveal habitats, mentality, daily actions and deeds hovered at the time. Stories between myth and reality well shown by this miniaturized reconstruction of 72 towers, streets and squares, 800 buildings, over 200 handmade figurines, copies of original costumes and medieval weapons. Finally, the mysterious medieval knight Assassin's Creed will reveal some secrets of the city.And for those looking for an afternoon of fun, a wonderful medieval treasure hunt!
