

# The Spiritual Ways

**EUR 18,00 Per Person - minimum 2 people**

The intense experience of a passage through San Gimignano with the eyes of a medieval pilgrim, when Templar knights used to protect them along the Francigena “Way”. Today as in the past, we will be looking for open convents and monasteries, in search of a spiritual hub, local monks, priests, sisters receiving us with words of faith and hope. Churches and convents within the walls are in Roman style, surprisingly rich in frescoes of great artists such as Lippo Memmi, Bartolo di Fredi, Taddeo di Bartolo of the Sienese School, Benozzo Gozzoli and Il Ghirlandaio of the Renaissance Florentine School. Their skilled hands have drawn scenes of New and Old Testament, the Annunciation, the Last Judgment, Saint Augustine’s life, miracles and death of the local patron saints: St. Fina, St. Bartolo, St. Vivaldo and St. Gimignano.
